

CALL SCRIPT

Hello, my name is **[your name]** and I'm a voter in **Sen./Rep. [legislators's name]'s** district.

I'm calling because I'd like **[Representative Name]** to keep voter registration legal in Tennessee and vote **NO** on Senate Bill 2298 / House Bill 2363.

[optional: share why it's important to you personally that voting rights be protected, and groups not be penalized for just trying to help register voters]

This proposed bill does nothing to improve our state's low voter participation rates. Nor does it address a critical need made clear during the November 2018 election: we need a voter-registration system that is streamlined and efficient enough to withstand record levels of timely voter applications. 2020 could see record levels of voter registration, and this bill does not give me an assurance that we have addressed the state's outdated paper system. There's a better solution to provide secure protections to voters: automatic voter registration.

It's wrong to penalize community members just trying to improve civic participation - **especially when our state consistently ranks at the bottom in the country.**

Will [Representative's Name] oppose Secretary Tre Hargett's rushed, partisan attack on voter registration?

(wait for response, ask them 'why' and tell us what they say on the next page!)
